Site Access Application - Work Type Required Skills Matrix

- Before applying for a Site Access Request using the BAI Communications Site Access Application it is necessary to 'Prequalify' for the types of work you expect to be completing.
- For certain work types, specific 'Skills' are required.
- Skills can be added to your profile by selecting My Skills and Inductions and then Skills.
- As part of this process you will be required to provide evidence such as certificates or licenses including expiry details.
- This matrix lists the work types available in the application, the corresponding skills that are required, and the evidence that should be provided.

Note: When adding skills it is your responsibility to ensure that accurate and truthful information is provided. Skills will be reviewed and validated by the Site Access Team.

	Licensed to operate a non slewing mobile crane (CN)	License for non slewing mobile crane (CN)
Operation of a helicopter	BAI General Induction / Policy	BAI Induction Certificate
	Licensed to operate a helicopter	Helicopter License - CASA
Operation of a hydrovac	BAI General Induction / Policy	BAI Induction Certificate
Operation of a materials hoist (HM)	BAI General Induction / Policy	BAI Induction Certificate
	Licensed to operate a material hoist (HM)	License for material hoist (HM)
Operation of a non-slewing mobile crane (CN)	BAI General Induction / Policy	BAI Induction Certificate
	Construction induction (white card)	Construction Induction (white card)
	Licensed to operate a non slewing mobile crane (CN)	License for non slewing mobile crane (CN)

Work Type	Required Skills	Evidence
Operation of a personnel and materials hoist (HP)	BAI General Induction / Policy	BAI Induction Certificate
	Construction induction (white card)	Construction Induction (white card)
	Licensed to operate a personnel / materials hoist (HP)	License for Personnel / Materials hoist (HP)
Operation of a scissor lift (SL)	BAI General Induction / Policy	BAI Induction Certificate
	Construction induction (white card)	Construction Induction (white card)
	Licensed to operate a scissor lift (SL)	License for Scissor lift (SL)
Operation of a slewing mobile crane < 100 tonnes (C1)	BAI General Induction / Policy	BAI Induction Certificate
	Licensed to operate a slewing mobile crane < 100 Tonnes (C	License for Slewing Mobile Crane < 100 tonnes (C1)
Operation of a slewing mobile crane < 20 tonnes (C2)	BAI General Induction / Policy	BAI Induction Certificate
	Licensed to operate a slewing mobile crane < 20 Tonnes (C2	License for a Slewing Mobile Crane < 20 tonnes (C2)
Operation of a slewing mobile crane < 60 tonnes (C6)	BAI General Induction / Policy	BAI Induction Certificate
	Licensed to operate a slewing mobile crane < 60 Tonnes (C6	License for a Slewing Mobile Crane < 60 tonnes (C6)
Operation of a slewing mobile crane > 100 tonnes (CO)	BAI General Induction / Policy	BAI Induction Certificate
	Licensed to operate a slewing mobile crane > 100 Tonnes (C	License for Slewing Mobile Crane > 100 tonnes (CO)
Operation of a trailer lift (TL)	BAI General Induction / Policy	BAI Induction Certificate
	Construction induction (white card)	Construction Induction (white card)
	Licensed to operate a trailer lift (TL)	License for Trailer Lift (TL)
Operation of a truck mounted lift (TM)	BAI General Induction / Policy	BAI Induction Certificate
	Construction induction (white card)	Construction Induction (white card)
	Licensed to operate a truck mounted lift (TM)	License for Truck Mounted Lift (TM)
Operation of a vehicle loading crane > 10 tonne (CV)	BAI General Induction / Policy	BAI Induction Certificate
	Construction induction (white card)	Construction Induction (white card)
	Licensed to operate a mobile crane / EWP (CV)	License for vehicle loading crane > 10 tonne (CV)
Operation of a vertical lift (VL)	BAI General Induction / Policy	BAI Induction Certificate
	Construction induction (white card)	Construction Induction (white card)
	Licensed to operate a vertical lift (VL)	License for Vertical lift (VL)
Operation of drone	BAI General Induction / Policy	BAI Induction Certificate
	Licensed to operate a drone	CASA License
	RF / EME awareness	RF / EME Awareness Certificate
Operation of earth moving plant	BAI General Induction / Policy	BAI Induction Certificate
	Construction induction (white card)	Construction Induction (white card)
	Licensed for earth moving plant	Industry License / Certificate for specific type of plant or
		Excavator License
Operation of telehandler < 2.5 tonne capacity	BAI General Induction / Policy	BAI Induction Certificate
	Construction induction (white card)	Construction Induction (white card)
	Licensed to operate a telehandler < 2.5 tonne	Telehandler License < 2.5 tonne
Operation of telehandler > 2.5 tonne capacity	BAI General Induction / Policy	BAI Induction Certificate
	Construction induction (white card)	Construction Induction (white card)
	Licensed to operate a telehandler > 2.5 tonne	Telehandler License > 2.5 tonne
Refrigerant line work	Accredited in refrigerant line work	Refrigerant Line License / Certificate
	BAI General Induction / Policy	BAI Induction Certificate
Security alarms and monitoring install	Accredited in security installation	Security installers license
	BAI General Induction / Policy	BAI Induction Certificate
